by Donald Spencer

A softcover book with illustrations of nearly 300 vintage postcards of Florida's more popular beaches and sites. It takes the reader on a virtual tour from the St. Johns source to its basin, giving insight into its history, tributaries, cities and attractions along the river.

\$24.95 (+ tax)

\_\_\_\_ Stetson University: The First 100 Years

by Gilbert L. Lycan

The author brings to the writing of this history of Stetson University three important ingredients: the objectivity of the scientific historian, the love of a loyal Stetson professor, and the compassion of the dedicated Christian. This hardcover book does all three.

\$25.00 (+ tax)

\_\_\_\_ Toy Train Tree

A "How-To" booklet, with detailed and instructions for creating an exciting Christmas tree filled with lit village houses and operating trains.

\$10.00 (+ tax)

\_\_\_\_ Upper Mississippi River Rafting Steamboats

by Edward A. Mueller

This hardcover book is an extraordinary collection of over two hundred contemporary photographs and illustrations depicting the river-rafting era, and are accompanied by short histories and anecdotes that preserve the story of "rafters," the workboats that literally helped build a nation after the Civil War.

\$45.00 (+ tax)

\_\_\_\_ Volusia County's West Side: Steamboats and Sandhills

by Ronald W. Williamson, with a Forward by Bill and Irene Dreggors

A 158-page paperback that features a collection of popular "Sense of Place" columns by the Daytona Beach News Journal award-winning writer, Ronald Williamson. The book chronicles the sleepy streams, poignant passages, and timeless traditions of the hilly

western side of Volusia County. From slavery and segregation to Madame Clarissa Zaraza and may-haw jelly from swampy creeks, these stories are a moving account from a master storyteller.

\$19.99 (+ tax)

\_\_\_\_\_ The Volusian: Horatio S. Dexter

by John W. Turner, Jr.

John Turner, in this hardcover book about Horatio Dexter, writes about one of the most interesting times in the history of Florida, and has brought to life the Indians in Florida and Dexter's relationship with Andrew Jackson, then the Governor of Florida.

\$17.50 (+ tax)

\_\_\_\_\_ Wooden Fish Songs

by Ruthanne Lum McCunn

A softcover book on the life of Lue Gim Gong, who put his genius for plants to work in Florida, creating the orange hybrids that earned him international recognition as “the Citrus Wizard.” His story is told by the three women who knew him best: his mother, who strove to shield him from bitter family rivalries; Fanny Burlingame, the prim and deeply religious New England spinster who became his mentor and friend; and Sheba, daughter of a slave, who worked alongside him in Florida.

\$24.95 (+ tax)
